

How Does DRG Serve the Community?

- Operate disability-related help line, providing counseling, resource information, and technical assistance on disability laws
- Develop and distribute disability rights resources
- Provide consultation on disability inclusion to the private and public sector
- Improve access to medical care for people with disabilities
- Raise awareness in refugee and immigrant communities about available resources and rights of individuals with disabilities
- Conduct workshops on topics such as:
 - ADA overviews and employment issues
 - Best practices for serving people with disabilities
 - Capacity building and advocacy training for individuals with disabilities

Our Corporate Sponsors Include:

The power to make it better.

Erlinda Ramirez, Hispanic outreach coordinator, and Mirna Orellana distributed over 200 informational flyers about disability rights and opportunities to attendees of Dia de la Mujer Latina health fair on Cinco de Mayo.

DRG is helping museums and other cultural venues make their events more disability friendly.

We conduct workshops on disability rights and strategies for inclusion for advocates across the state of Georgia.

One and a half million Georgia citizens have disabilities. The Disability Resource Group recognizes that these individuals have wisdom, talent, and a desire to be participating members of their communities.

Each month, DRG serves an average of:

- 215 Individuals with Disabilities and their families
- 44 Service Providers
- 29 Educators
- 16 Business Groups
- 11 Disability Organizations
- 7 State & Local Agencies
- 6 Employers
- 4 Policy Experts, Federal & Non Federal Partners

The Disability Resource Group is working to bring about the day when all Georgians, with and without disabilities, have self determination and equal opportunities to learn, work, play, and live satisfying lives!
